Case No. 3:13-cv-115

JUDGE WALTER H. RICE

DECISION AND ENTRY SUSTAINING IN PART AND OVERRULING IN
PART PHARMACIA LLC'S MOTION TO COMPEL DISCOVERY AND
FOR A PROTECTIVE ORDER (DOC. #408); MEMORIALIZING OTHER
DISCOVERY RULINGS MADE DURING AUGUST 23, 2016,
CONFERENCE CALL

As discussed during the conference call held on August 23, 2016,
Pharmacia LLC's Motion to Compel Discovery and for a Protective Order, Doc.
#408, is SUSTAINED IN PART and OVERRULED IN PART. The vast majority of
Pharmacia's requests are protected by the work product doctrine, and are not
discoverable. However, Plaintiffs do have a duty, under Federal Rule of Civil
Procedure 26(a)(1)(A)(i), to provide the name and, if known, the contact
information, of each individual with discoverable information that may be used to
support Plaintiffs' claims or defenses. To the extent that any of Pharmacia's
former employees who have been interviewed by Plaintiffs' private investigators

fall within the scope of that Rule, their names and contact information must be disclosed.

As agreed, Plaintiffs shall submit to the Court, for an *in camera* review, the interview memoranda of those private investigators so that the Court can determine whether all required Rule 26(a)(1)(A)(i) disclosures have been made. Plaintiffs are directed to submit those to the Court within 5 business days. Plaintiffs have also agreed to supplement their privilege log if necessary. For the reasons discussed during the conference call, the Court OVERRULES Pharmacia's request to cancel or postpone the deposition of Tom Ctvrtneck, currently scheduled for August 25, 2016.

Plaintiffs' August 18, 2016, letter to the Court concerning a separate discovery dispute, along with Pharmacia's August 22, 2016, response to that letter were also discussed during the conference call. Pharmacia is directed to produce any additional information within its custody, control or possession, concerning pre-1969 waste disposal by either the Dayton Research Lab or the Mound facility.

As the Court noted, counsel's signature on the interrogatories, as an agent of Pharmacia, is sufficient. Counsel has agreed to provide an abstract of efforts made to comply with Plaintiffs' discovery requests concerning waste disposal at the two facilities. To the extent that counsel has certified that certain information sought by Plaintiffs does not exist, Plaintiffs may pose a follow-up interrogatory to

inquire as to the factual basis for that conclusion. In the alternative, Plaintiffs may conduct a 30(b)(6) deposition of Pharmacia's designated officer or agent.
